Hello Folks,

Here's the V-mail I promised you in Sunday's letter. Or haven't you gotten the letter yet? If not guess I'm writing one I didn't have to!

Yesterday's mail brought me a couple of letters, one of which was Sister's – telling of the day she & Ma went shopping – supposedly on Ma's birthday – cept she couldn't get off that day so was doing it beforehand! – What a system! – Also in the letter was Mama's birthday celebration. Was awfully glad to get the details and to know just what you did. Know everyone had a good time. – What's Van doing, working in Cumberland? – Is he still working for the gov't?

Took out some insurance towards getting home the other day! – Have worn my hair "long" ever since I left the states, but decided – as that was the way everyone would like to see it, I'd get it cut short, and if everything works as usual – I'll surely get home while it's short! – I'd even shave my head if I thought it would do any good! – Don't relax those fingers for even a second!

Lots of love,
Frank
